6. Banking and payments

- 6.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Lloyds Bank, Unity Trust Bank and hold funds in the CCLA Public Sector Deposit Fund. The arrangements shall be reviewed regularly for security and efficiency. When a member of staff or finance committee resigns from the council the Clerk/ Officers have authority to remove that member from the bank mandate immediately. This should be placed on the following Full Council meeting agenda for ratification by members. In the event that all bank signatories are no longer part of the council, for example, following an election or resignation of the whole Finance Committee, to alleviate the risk to council continuity, arrangements are to be made with the existing bank authorisers to remain in place until bank arrangements can be made with the new bank signatory councillors.
- 6.2. The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised,

the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

- 6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council before being certified by the RFO. {Where the certification of invoices is done as a batch, the RFO will also sign the list of invoices.
- 6.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.
- 6.5. All payments shall be made by online banking or cheque, in accordance with a resolution of the council or duly delegated committee or a delegated decision by an officer, unless the council resolves to use a different payment method.
- 6.6. For each financial year the Clerk & RFO may draw up a schedule of regular payments due in relation to a continuing contract or obligation (such as Salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items), which the council or a duly delegated committee may authorise in advance for the year}.
- 6.7. A full list of payments shall be reported to the next appropriate meeting of the council for information only and appended to the Minutes of that meeting.
- 6.8. The Clerk and RFO shall have delegated authority to authorise payments only in the following circumstances:
 - i. any payments of up to £1,500 including VAT, within an agreed budget which is based on the limit set in the corporate multi pay card policy.

6.9. All payments made are either recurring payments on a regular basis as per 6.6 OR approved resolutions to proceed with a contract or purchase. They are therefore already approved by the council and do not require another authorisation resolution at a council/ committee meeting before payment is made. The RFO shall present a schedule of payments requiring authorisation, and, together with the relevant invoices, present the schedule to the two authorising Finance Committee members that month. The appropriate Finance Committee member shall review the schedule for compliance, and having been satisfied, shall authorise payment by authorising the online bank payments set up and/or signing a cheque if appropriate. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting following which the payments were authorised.

- 7.11. Account details for suppliers may only be changed upon written notification by the supplier verified by two of the Clerk and RFO, Finance & Amenities Officer or a member. For access to the council's records, this is available via a password protected list held on the shared drive which is consistently updated. All members of Office staff have knowledge of this password, and therefore, access to council records can be made by all staff should the Clerk be unavailable. Regular back up copied of the records on any of the office computers are stored on the Cloud and can be accessed via Office 365. A password management system can be used.
